Proud Sponsor of the Inter Spinal Unit Games 2015

New Quadrant Partners were once again proud to be a sponsor of the Inter Spinal Unit Games held at Stoke Mandeville in April. Vanessa Kemp, Kiran Vasudeva, Darren Austin-Smith, Harriet Rawlings and Vanessa Woolston all attended the games.

This event run by Wheelpower over 3 days provides individuals who have suffered recent spinal cord injuries to get involved with a variety of sports. There are 'have a go' sessions running for sports such as wheelchair rugby, wheelchair basketball, together with table tennis and shooting as well as competitions between the different teams.

Vanessa Kemp presented the Stoke Mandeville team with the Harry Metcalfe Award for Team, Spirit & Sportsmanship.
