

Top 25 Most Admired and Top 5 Boutique Law Firms

New Quadrant Partners is pleased to announce that it has been named one of Private Client Practitioner's 2013 "Top 25 Most Admired Companies". The list celebrates and commends the most successful private client advisory businesses which include law firms, trust companies, accountancy firms, and independent financial advisers.

The selection process began with an open call for nominations and the final list of the most admired companies in the UK and UK offshore market was created using the criteria of quality and quantity.

New Quadrant Partners has also been named as one of Private Client Practitioner's (PCP) Top 5 Boutique Law Firms and Louise Stoten has recently been included in PCP's list of the 50 "Most Influential Private Client Professionals" for the second consecutive year.

Louise Stoten Senior Partner commented: "We are delighted to have received these awards. When we established our business three years ago it was our aim to build a team that was able to provide a holistic, high quality service to our clients. Our inclusion by Private Client Practitioner, the leading industry magazine for the private wealth sector, in these elite lists recognises this."
